All clients are charged the actual cost for services rendered at Northeastern Counseling Center (hereafter NCC). Although you are responsible for services received, a discount may be available to you. NCC can offer this discount to you since Federal and State funds help operate NCC.

A reduced fee is offered to all clients and is based on family size and income only. Eligibility for a reduced fee is not dependent on other payment sources. In accordance with NCC's Sliding Fee Schedule, my fee has been set at \$ _____ per hour (minimum \$5 charge). My fee for services will be reviewed periodically and adjusted to reflect my current ability to pay. It is understood that if I fail to make payments as per this agreement, NCC will take legal action for collection of the balance due as is appropriate. Legal fees resulting from this action will be added to my balance due. I understand that since my fee usually does not cover the full cost of services, NCC will bill my insurance company or other third-party payment sources at full cost. Failure to contact your Insurance Carrier for the above information may result in benefit denial and therefore you will be responsible for payments in full.

I hereby certify that the information stated on this form is correct to the best of my knowledge. I have provided accurate and complete information concerning insurance or third-party benefits as well as my eligibility thereof, and I agree to notify NCC of any changes relating thereto. I understand that my failure to notify NCC of any changes in my insurance benefits, false statements relating thereto, or failure to present Insurance or Medicaid card will result in my being billed for the full and regular charges for services. I hereby agree to forward all insurance or third-party payments received by me to NCC and further agree that my failure to do so will result in my being billed for the amount of all such payments. I understand that if I have Medicaid or third-party insurance, information I share with NCC employees may be released to my HMO provider.

I hereby agree to enter treatment with NCC. I understand that this application and anything else I tell NCC personnel will be kept confidential with the exceptions listed in the client rights statement on the reverse side, which I understand.

ASSIGNMENTS TO PAY BENEFITS: I hereby assign payment of any insurance benefits or third-party payment benefits, otherwise payable to me, directly to NCC provided that such payments along with my fee for service shall not exceed the full and regular charges for services. This original or a copy of this agreement is to be equally accepted.

AUTHORIZATION TO RELEASE INFORMATION: I hereby authorize NCC to release any and all information to my insurance company or other third-party payment sources to enable NCC to obtain payment therefrom. This original copy of this Authorization is to be equally accepted. I have read the Client's Rights Statement and Client Responsibilities Statement on the back of this form and understand my obligations regarding appointments. I agree to these conditions.

I have been given a copy of NCC's Notice of Privacy Practices. _____ (Initial)

CLIENT'S RIGHTS STATEMENT

1. Be informed of your rights and responsibilities at the first interview.
2. Expect quality services.
 - a. Regardless of the fee charged for the service.
 - b. Regardless of age, sex, ethnic origin or physical handicap.
3. Expect that any information shared with the staff, verbal or written, be kept confidential including your status as a client, the type of services you receive and the content of your discussions with your counselor. If you are being seen in conjunction with your spouse and/or family members, written authorization must be obtained from all adult members before any information will be released about the services provided. If only one member authorizes release of information, information will be redacted from the record not pertaining to the individual authorizing the release.

No information about you will be released without your written authorization except:

- a. In routine case consultations, conference and record audits involving the staff and other mental health professionals.
 - b. When your records and/or the testimony of your counselor is subpoenaed by a court of law.
 - c. When an emergency exists where there may be danger to yourself or others.
 - d. When there is an incident of child abuse or neglect.
 - e. When an anonymous form information may be shared for research purposes.
 - f. When you are being referred to another agency within the Utah Mental Health System.
4. Participate in the formulation of your treatment goals and to periodically review your goals and treatment plan.
 5. Discuss any dissatisfaction with the services received with another counselor, your counselor's supervisor, or the program director.

 7. File a complaint about a licensed provider. To do this, contact Division of Professional Licensing by phone at 801-530-6630 or email dopl@utah.gov.
 8. Be asked for written authorization before any interviews are audio or video taped.
 9. Request to review with your counselor the information in your clinical record. Such requests must be submitted in writing to your counselor and the program supervisor. If such access is determined not to be in your best interest, you may authorize another health care professional to act in your behalf. (In certain cases of minors 14 years or older, both the minor and the legal guardian are required to sign the request.)
 10. Renegotiate your fees as your financial circumstances change.

CLIENT RESPONSIBILITIES

1. Protect the privacy of other clients if you are in group treatment. This includes not divulging information about the content of the group or in any way identifying the members of the group.

4. Pay your fees at the time of service. If a third-party payor is involved, you are also expected to promptly provide any necessary information (carrier, policy numbers, etc.) and forms.
5. Notify receptionist or billing department if there are any changes in your financial situation, address, or telephone number.
6. Discuss any dissatisfaction with your counselor concerning services received.

PURPOSE: The Y-OQ® 30.2 is designed to describe a wide range of troublesome situations, behaviors, and moods that are common to adolescents. You may discover that some of the items do not apply to your current situation. If so, please do not leave these items blank but mark the “Never or almost never” category. When you begin to complete the Y-OQ® 30.2 you will see that you can easily make yourself look as healthy or unhealthy as you wish. Please do not do that. If you are as accurate as possible it is more likely that you will be able to receive the help that you are seeking.
